Elite Sports Clubs

Youth Access Guidelines

For Family Memberships

Elite Sports Clubs encourages the use of the club by all members of the family. In the interests of safety and in order to protect the rights of all members, Elite has designated the following guidelines for the use of the club by our younger members. We have designed a variety of different programming for our youth members, both fee-driven and complimentary. Parents are directly responsible for the behavior of their children whenever they are on club grounds, and children may not freely roam the club unsupervised.

Ages Infant – 6

Free childcare is available for children on a Family Membership. Children without a family membership are also welcome for a fee. The Playroom is available for children 6 weeks and up. (see Playroom handout for details, hours, and non-member child care fees.)

Permitted to use gymnasium, designated pool(s) and tennis courts under direct adult supervision (direct adult supervision is defined as in direct visual and speaking contact with an adult member 18 years or older on the same membership), or in any staff supervised program.

Children age 3 and older must use same-sex or family locker rooms.

Ages 7 – 10

Our E-Zone interactive play center is open according to seasonal schedules (see separate E-Zone schedule for details) free for family member children. This area is always under direct staff supervision when the center is open. (Ezone at Brookfield & Mequon only.)

Permitted to use designated pool(s) and tennis courts and the gymnasium basketball courts under direct adult supervision (direct adult supervision is defined as in direct visual and speaking contact with an adult member 18 years or older on the same membership), or in any staff supervised program. (Pools at Brookfield & Mequon only.)

YOUTH FITNESS HOURS

3:30 - 5:30 p.m., Monday - Friday

12:00 - 5:00 p.m., Saturday & Sunday

Member children participating in a staff-supervised program are not required to have a responsible adult on premises, however, parents should escort their children directly to and from the designated activity.

Ages 10 – 14 (TNT)

Youth members wishing to use the fitness center must first complete our TNT program: this 3 hour instructional program ensures your child learns the proper techniques for safe, age-appropriate training. Fitness center protocols and behavior are also addressed. Once the TNT program has been successfully completed, children may use the fitness center during youth hours.

Ages 11 – 14

During youth hours, may use gymnasium basketball courts, designated pools or tennis courts without direct adult supervision, however, parents or responsible adult must be on club grounds whenever children are in the club. (See Junior Drop-Off Code of Conduct for Mequon & North Shore locations.)

Ages 15 & Up

Members age 15 and up are able to use all areas of the club without adult supervision, including the use of the adult changing rooms. Adult use privileges are granted with the expectation of adult behavior in return.

Juniors 15 yrs. must complete a free fitness assessment & a introduction before using the fitness equipment.

May bring an adult (18 and older) or a youth guest with a supervising and responsible adult 18 years of age or older. The club requests a maximum of 2 guests per visit, unless previous arrangements have been made with management.
