 Bruce Behling Memorial Challenge  
 benefitting the American Cancer Society**

**Celebrate life & your ability to ride for a worthy  
 cause - as you Spin to the  
 LIVE MUSIC of the BOOZE BROTHERS!**

After a 14 month long battle with pancreatic cancer, Bruce Behling died on February 4th at the age of 63. Bruce and the Behling family were charter members of the Highlander. When Elite wanted to purchase North Shore, it was Bruce Behling who made it possible. His belief in the club and his financial support allowed us to add North Shore to the family of Elite Clubs. Bruce was a special man, as everyone who he touched would agree. His friendship and generosity will be missed.
